

NERP (Non-Exclusive Reconnaissance Permit)

➤ Process-

1. The State Government may grant a non-exclusive reconnaissance permit in respect of any mineral other than a mineral notified as a minor mineral and minerals specified in Part A and Part B of the First Schedule to the Act, as per NERP Rule.
2. An online application may be made to a State Government on its portal in the format specified in Schedule I of NERP Rules over any area,
 - (i) which is not held under a reconnaissance permit, prospecting licence, a prospecting licence-cum-mining lease, mining lease; or
 - (ii) where the State Government has not initiated auction process for grant of a prospecting licence-cum-mining lease or mining lease.
3. The State Government may grant more than one NERP over an area.
4. An applicant for grant of non-exclusive reconnaissance permit shall meet the eligibility conditions specified in section 5 of the Act for grant of a reconnaissance permit and shall submit an online application for grant of non-exclusive reconnaissance permit as per the format specified in Schedule I of the NERP Rules along with an online payment of a fee calculated at the rate of one thousand rupees per square kilometre or as per rules.
5. The State Government shall dispose of the application within a period of thirty days from the date of receipt of a duly completed online application and may either issue a NERP or reject the application. In case, if the application is rejected the fee shall be refunded to application after deduction of an amount of 10% of such fee.
6. The maximum area for grant of non-exclusive reconnaissance permit shall not exceed the maximum area for reconnaissance permit i.e. 10,000 sq.km or as per rules. The period for grant of non-exclusive reconnaissance permit shall be three years or as per rules.
7. The grant of a non-exclusive reconnaissance permit over any area shall not prohibit the State Government from notifying all or any part of such area for grant of a mining lease or a prospecting licence-cum-mining lease and upon such notification the validity of all non-exclusive reconnaissance permits over such notified area will stand automatically terminated: Provided that the State Government shall communicate in writing such automatic termination to every holder of non-exclusive reconnaissance permit over such notified area.
8. The holder of a non-exclusive reconnaissance permit may choose to submit its findings to the State Government and may request the State Government to conduct auction for grant of a prospecting licence-cum-mining lease or a mining lease based on such findings.
9. The State Government upon being satisfied may decide to conduct auction for grant of a prospecting licence-cum-mining lease or a mining lease based on such findings.
