Udaipur, Date : 05/01/2019

Corrigendum-1

Ref: Open Tender Notice No. 11/2018-19: Supply of Mud Pump for 600 metre Drilling Machine (Group A)

Following amendments are made in the Bidding Document for Group A- Mud Pump for 600 metre Drilling Capacity Skid Mounted Wireline Diamond Core Drilling Machine

S. No.	Title	Condition	Amended Condition
1.	Instruction to the bidders Point No. 3(b)	The Main Unit and Accessories as mentioned in Technical Specifications should meet standards formulated by Bureau of Indian Standards or International Organization for Standardization or International Certifications. As a proof copies of appropriate certificates should be attached. Certificates regarding Mechanical/Chemical properties, wherever applicable, from recognized institutes should also be attached.	The Engine as mentioned in Technical Specifications should meet standards formulated by Bureau of Indian Standards or International Organization for Standardization or International Certifications. As a proof copies of appropriate certificates should be attached. Certificates regarding Mechanical/Chemical properties, wherever applicable, from recognized institutes should also be attached.
2.	Instruction to the bidders Point No. 12 (iv)	Certificate issued by Bureau of Indian Standards or International Organization for Standardization or International Certification Agencies for Main Unit and Accessories as mentioned in Technical Specifications. Certificates regarding Mechanical/Chemical properties, wherever applicable, from recognized institutes.	Certificate issued by Bureau of Indian Standards or International Organization for Standardization or International Certification Agencies for Engine as mentioned in Technical Specifications. Certificates regarding Mechanical/Chemical properties, wherever applicable, from recognized institutes.
3.	Instruction to the bidders Point No. 15	The term of performance security shall be 3½ years.	The term of performance security shall be 2½ years.
4.	Instruction to the bidders Point No. 18	Items are to be supplied before 10-03-2018 from the date of purchase order. If there is delay in supply, L.D. charges will be recovered as per GF&AR.	Items are to be supplied before 25-03-2019 from the date of purchase order. If there is delay in supply, L.D. charges will be recovered as per GF&AR.
5.	General terms & conditions of contract Clause No. 7 (i) Warranty	Comprehensive three year onsite warranty.	Comprehensive two year onsite warranty on complete unit except Engine. Engine warranty shall be as given by OEM. Warranty of OEM will have to be submitted by the

			successful bidder with the supply of machine.
6.	General terms & conditions of contract Clause No. 13 Targets for timely supply of instrument:	The time specified for delivery shall be deemed to be the essence of the contract and the successful bidder shall arrange to supply equipment Before 10-03-2018 of receipt of the supply order from the ADM (HQ).	The time specified for delivery shall be deemed to be the essence of the contract and the successful bidder shall arrange to supply equipment Before 25-03-2019 of receipt of the supply order from the ADM (HQ).
7.	Certificate regarding warranty	In case of any defect or damage / inconsistency due to poor manufacturing / repair & overhaul of the equipment or defective supply not conforming to the specifications if observed at the time of final inspection and thereafter within three years from the date of successful installation, we undertake the guarantee to repair / replace / supply free of cost the defective items up to the final destination (on-site) and all the inland expenses including those borne by the indenter, will be at our cost. We will also supply you accessories / spare parts, etc. free of cost during the warranty period, if at all damaged under normal use. We shall carry out maintenance of the machine/equipment as per prescribed maintenance schedule during the warranty period at our cost. This comprehensive warranty shall survive inspection and payment for and acceptance of the goods and shall expire after (Except in respect of complaints of which the bidder has been notified prior to such date) 3 years after their successful installation by the bidder.
