**Request for Participation in the Pre-NIT Meet for auction of Major mineral blocks  
on 07/12/2021**

Dear Sir/Madam,

As you may be aware, the MMDR Act, 1957 has been amended on 28.03.2021 to bolster reforms in mining sector with the aim to increase mineral production, employment generation and boosting economic growth. The Rajasthan State has set out an ambitious target of putting 32 major mineral blocks (Limestone, Iron ore, Manganese, Magnesite, Garnet, Potash and Base metal) for auction in financial year 2021-22, out of these 32 blocks, 18 blocks will be put up for grant of Mining Lease (ML) and 14 for the grant of Composite License (CL).

In continuation of which, the State Department has decided to reach out to prospective user industries to solicit feedbacks and interests with respect to participation in the proposed auctioning of the blocks, therefore the State Department is organizing a Pre-NIT meet in the chairmanship of Dr. K.B. Pandya (IAS), Director, Department of Mines and Geology, Rajasthan on 07.12.2021 at Directorate, Mines & Geology, Udaipur from 11.00 AM onwards. Representative from all the companies interested in auction of major mineral blocks are invited for interaction so that the information regarding block auction can be shared. Confirmation of the name of the representative (Max.1) may be sent on [adghq.mg@rajasthan.gov.in](mailto:adghq.mg@rajasthan.gov.in)

**Date of Pre- NIT Meet- 07<sup>th</sup> December 2021 at 11.00 AM,**

**Venue : Confrence Hall, Directorate, Mines & Geology, Shastri Circle, Udaipur (313001)**

Thanking You,

Yours Sincerely

**(S.K. Minda)**
