Sub: Regarding incorporation of 'Viksit Rajasthan@2047' Vision targets and alignment of budget proposals for BFC 2026-27.

The Government of Rajasthan has come out with the 'Viksit Rajasthan@2047' Vision Document in alignment with the national aspiration of 'Viksit Bharat@2047'. The Vision Document has been approved by the State Cabinet on 23 August 2025 and was formally launched on 13 October 2025 by the Hon'ble Union Minister of Home and Cooperation. It provides a comprehensive roadmap for achieving sustainable and inclusive development of Rajasthan.

The 'Viksit Rajasthan@2047' Vision Document has been structured around four themes and thirteen sectors, with specific, measurable targets for the years 2030, 2035, 2040 and 2047 and sets a goal of transforming Rajasthan into a 4.3 trillion-dollar economy by 2047.

To realise the goals & targets, it is essential that the annual budgetary exercise and departmental planning process are aligned with the long-term goals and sectoral/departmental targets identified in this Vision document.

Accordingly, all departments are required to align the budget proposals and new schemes with the Vision goals & targets, set in the 'Viksit Rajasthan@2047' Vision Document and to prepare annual budget proposals keeping in view the milestones and targets for 2030, 2035, 2040 and 2047 as outlined in the Vision Document.

It is, therefore, requested that all Administrative Departments may ensure linking of departmental financial outlays and schemes with the objectives and targets of 'Viksit Rajasthan@2047' in BFC 2026-27 proposals.

(Vaibhav Galriya)  
Principal Secretary (Finance)

Additional Chief Secretary/Principal Secretary/Secretary to Government,  
All Administrative Department
